

On Saturday, February 1, 2020, the Gustave Eiffel French Kindergarten, Elementary School and Gymnasium in Budapest will again host an open day for those interested.

On this day, you will get to know our institution, meet our staff members and students who will be happy to help if you have questions about the day-to-day life of the school.

We are looking forward to welcoming everyone who is curious about how education takes place in this diverse, tolerant and high-quality institution.

Open Day Program:

08h45: Gate opening

09h00-10h00: General presentation of the educational system and operation of the institution

10h00-11h00: School Visits: Kindergarten / Lower School / Upper School & High School

10h00-12h00: Introducing the various subjects at the booths in the lobby

See you then!
